Relevant pack sections

Staff delivering the program. Lee Stephens (Head coach), Samira Khan (Assistant coach and welfare contact), Tom Walsh (Assistant coach). Working With Children Check verification details provided for each coach; full documents withheld.

Contact and sparring rules. Non-contact unless the school has expressly agreed otherwise. No sparring in the standard school experience.

Supervision. Up to 24 students, 2 coaches, class teacher present.

Risk assessment. Fictional risk assessment dated 1 September 2026, listing hazards, controls and remaining risks.

Emergency procedures. Injury, evacuation, medical and escalation steps, coordinated with the class teacher.

Privacy and incident reporting. No photography without school permission. Incidents are reported to the school on the same day and recorded by the provider.

Missing or unavailable items

- Venue safety: venue map for provider gym visits is under review.
- Insurance: updated certificate requested by the school; current certificate expires 20 October 2026.
- Full child-related check documents are withheld; verification details are provided instead.

Provider declaration

The provider declares that the information supplied is accurate to the best of its knowledge, that it will update the school if anything materially changes, and that the school decides whether the provider meets its requirements. Fictional declaration by Lee Stephens, 24 September 2026.

CornerSafe limitation statement

CornerSafe organises information supplied by the provider. It does not certify, accredit or approve providers. Schools remain responsible for verifying information, conducting their own risk assessment and deciding whether a provider meets their requirements.
